

Wheat Germ Oil Capsules

Wheat Germ Oil has been used for centuries to supplement the diet with B vitamins such as folate, niacin, thiamin & B6. Other minerals & nutrients include iron, magnesium, manganese, omega 3, phosphorous, potassium, calcium, fibre, protein, selenium, vitamin E & zinc.

Wholistic Botanicals Wheat Germ Oil has been manufactured in a convenient capsule to avoid the unpleasant taste while providing the nutritional health benefits.

As always it is Wholistic Botanicals mission statement is to provide the highest quality of natural whole food products at lowest prices.
